

Weather Cancellation Policy

Church Programs: If Minneapolis Public Schools have closed, assume the church is also closed. You may choose to hold your program anyway, but it is your responsibility to contact all the participants. If Minneapolis Public Schools did not close but you want to cancel your event, contact the office and all program participants, as well as Dean Ammerman (website) and Tanya Ketcham (Facebook).

Sunday Morning Worship: If there's extraordinarily bad weather on a Sunday morning, notice of cancellation will be posted on the church website (www.minnehaha.org) and the church's Facebook page by 8:00 a.m.
